Q3 2026 Business Review

Revenue in the third quarter was 8.4 million euros, up 18 percent on Q3 2025.
Beacon Business subscriptions grew to 41,000 active sensors.
Gross margin improved to 61 percent thanks to lower component costs.

Customers and churn

Monthly customer churn fell to 1.9 percent from 2.6 percent a year ago.
The net promoter score rose to 54.
Germany remains the largest market, followed by the Netherlands and the UK.

People and outlook

Headcount reached 212 at the end of September after 23 new hires.
In Q4 we will launch Beacon Mini, a smaller sensor priced at 79 euros, and open a sales office in Stockholm.
